

JESSICA M. MCBRIDE

Summary

I am a university journalism educator who trains undergraduate students to write and report for multiple media formats. Social media and new technologies are key components of my teaching. I have chaired my department's Internship and Scholarship programs and Curriculum Committee. I am a former national award-winning reporter for Wisconsin's largest daily newspaper and a former newspaper columnist. I won more than a dozen journalism awards and have presented scholarly work to international journalism educators, helping develop social media guidelines for them. Professional experience in print, online, and broadcast journalism.
